A Rare Opportunity - Build Your Dream Bungalow - Building Plot In Highly Sought After Location

Hewitt Adams are delighted to offer to the market this building plot with planning permission for the erection of a two bedroom, detached bungalow which would be conveniently located at the head of the ever so popular Beechways Drive. A stones throw from Neston Town Centre and Parkgate Promenade which have excellent local amenities, good transport links and catchment for highly acclaimed schools. The building site has secure boundaries and has recently been cleared.

The layout of the property has been designed so that the sitting room could also be used as a bedroom if required - please refer to floorplan.

The outline planning permission has just over 11 months left on it without seeking an extension.

Please refer to Cheshire West and Chester website for further details.

The planning reference is 23/02561/FUL
