THE PROPERTY

A mid-terrace house of brick construction under a tiled roof. The front porch provides useful space for muddy footwear and leads into the good-sized sitting room, with stairs rising to the first floor to one side and an understairs cupboard. A wide opening leads through to the kitchen/dining room, which features a fitted kitchen with ample storage cupboards, an electric oven and hob, space for a tall fridge/freezer and plumbing for a washing machine or tumble dryer. There is space for a family dining table, with access to the conservatory. The conservatory provides a lovely additional space from which to enjoy the garden, with French doors opening onto the garden.

On the first floor are two double bedrooms and a modern, fully tiled bathroom, fitted with a bath and shower over.

OUTSIDE

To the front, there is driveway parking for two cars, together with a small front garden and a useful external storage cupboard adjacent to the front door.

To the rear is an enclosed, level and low-maintenance garden, which enjoys a good amount of direct sunlight. The garden is laid with a patio providing space for outdoor seating, gravelled areas, raised beds and a timber garden shed.

SITUATION

Crossways is a village situated approximately six miles south-east of the county town of Dorchester. The village has a range of local amenities including a parish church, first school, library, doctor's surgery and village shop/post office with an off-licence. There is also a regular bus service.

Dorchester provides an excellent range of shopping, recreational and leisure facilities, together with Dorset County Hospital and two railway stations. Services from Dorchester South provide direct trains to London Waterloo, while Dorchester West offers services towards Weymouth and Bristol. Moreton railway station is approximately one mile from Crossways and provides services towards Weymouth and London Waterloo via connections.

The surrounding countryside offers an extensive network of footpaths and bridleways, providing excellent opportunities for walking and riding. The Jurassic Coast, a UNESCO World Heritage Site, lies to the south and offers a spectacular coastline, beaches, coastal walks and opportunities for a variety of water sports.
