Rear uPVC double glazed window with patterned glazing, suite in white comprising a low flush WC, pedestal wash hand basin, corner wash hand basin with electric shower and a built-in airing cupboard housing a modern gas fired central heating boiler.

Grounds

The property occupies a large broad plot providing excellent opportunity for extension or building subject to planning consent with the grounds being lawned to the front, side and rear with decorative wrought iron front railings and with a concrete slabbed pathway leading to the rear. Within the rear garden there are bricked outbuildings which needs some attention and refurbishment but offer further scope for accommodation or workshop with the larger of the two being a former blacksmith.

Double Glazing

The property enjoys uPVC double glazed windows and doors with the exception of the rear landing window.

Central Heating

There is a modern Worcester gas fired condensing combination central heating boiler.
