DESCRIPTION

Hunters Stanmore are proud to present this exceptional opportunity to acquire a substantial three-bedroom semi-detached residence on the highly desirable Marsh Lane, one of Stanmore's most sought-after residential roads.

Occupying an enviable position and extending to approximately 1,365 sq ft, this impressive family home offers an abundance of space, endless potential, and approved planning permission, making it a rare find for homeowners, developers, and investors alike.

Behind its attractive façade lies a well-proportioned home ready to be transformed into a stunning modern residence. Offering a true blank canvas, the property provides buyers with the opportunity to design and create their dream home while significantly enhancing both lifestyle and value.

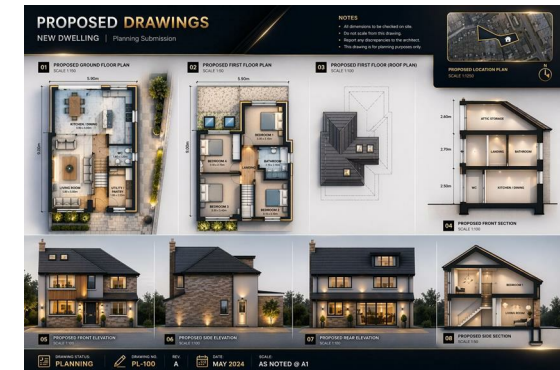

The accommodation currently comprises a spacious reception room ideal for family living and entertaining, a kitchen, three generously sized bedrooms, and two bathrooms, offering excellent flexibility for modern family life.

A standout feature of this property is the approved planning permission for a single-storey front extension with porch, together with single and two-storey side extensions, allowing purchasers to unlock the property's full potential and create a significantly larger family home (Planning Ref: PL/2937/25).

Externally, the property benefits from a private rear garden offering excellent outdoor space, together with off-street parking for up to three vehicles—an increasingly valuable feature in this prime location.

Marsh Lane continues to be one of the area's most desirable addresses, conveniently located within easy reach of highly regarded schools, local shopping facilities, transport links, recreational amenities, and places of worship. Stanmore, Canons Park, and Queensbury stations are all easily accessible, providing excellent connections into Central London.

Properties offering this combination of location, size, approved planning permission, and future potential are seldom available
