## LOCATION

Claverley is a most sought after Shropshire village which is surrounded by beautiful, unspoilt countryside close to the Shropshire/Staffordshire border. The village benefits from an active and thriving community with a highly regarded primary school, well supported church and a selection of public houses within walking distance. There is also a doctors surgery, a range of sports facilities including tennis courts, a tearoom and an abundance of countryside walks, riding and cycling routes. Local shopping facilities are available in the nearby villages of Wombourne. For more extensive amenities, to the west is the historic, riverside market town of Bridgnorth.

## ACCOMMODATION

The detached has accommodation over two floors and includes UPVC double glazing throughout with oil fired central heating. Requiring general updating, the property is being market 'SOLD AS SEEN', so buyers will need to make their own investigations on the condition of the property. The asking price in our opinion reflects the present condition.

A spacious hallway has stairs rising to the first floor and doors leading off to two spacious reception rooms, double ground floor bedroom, all with good natural light and the lounge having a covered fireplace. At the rear is a lean to garden room, having patio doors to the rear. There is a ground floor modern shower room and the kitchen has a basic range of units, with useful separate utility housing the boiler and with plumbing, separate pantry and downstairs WC.

On the first floor, the landing gives access to two double bedrooms, one having eaves storage. On this floor there is a bathroom.

## DOUBLE DETACHED GARAGE

The driveway gives access to a DETACHED DOUBLE GARAGE Having an electric roller shutter door to the front, lights and power points. A door leads through to a WORKSHOP/STORE with windows to the side and rear, lights and power points connected.

Approaching through a gated entrance, there is a store/shed on the left hand side and the large driveway gives plenty of room for parking and turning, with access to the double garage. The large gardens with a greenhouse, have mature flower borders and a range of fruit trees. The garden is private a backs onto the Claverley church.
