Recently installed French doors open directly onto the decked patio, enhancing the connection to the garden, while a front facing window provides a pleasant outlook. A useful under stairs recess currently accommodates a tumble dryer and provides valuable storage space.

First Floor:

The first floor landing provides access to three well proportioned bedrooms, the family bathroom, airing cupboard and loft access. Positioned to the rear are two generous double bedrooms, both enjoying views over the garden, while the third bedroom sits to the front and is ideally suited as a nursery, child's bedroom or home office. All bedrooms benefit from wood effect flooring, continuing the modern and cohesive presentation found throughout the property. A pathway leads to the front door, with gated side access opening to the rear garden. The rear garden has been designed to maximise enjoyment of the outdoor space, featuring a generous decked patio stretching across the rear of the property, providing the perfect setting for outdoor dining and entertaining. The remainder of the garden is laid to lawn, while a timber shed occupies one corner providing useful external storage.
