16 Far Lane, Normanton On Soar

Guide Price £650,000

4 2 2

Situated in the sought-after village of Normanton on Soar, this beautifully presented four double bedroom home offers the perfect blend of countryside living and everyday convenience. Ideal for families and professional couples alike, the property features spacious and versatile accommodation including a stylish open-plan kitchen, living and dining area, utility room, en-suite and ground floor WC. Outside, a beautifully maintained garden backs onto open fields, creating a peaceful outlook, while further benefits include an integral garage, off-road parking, EV charging point and solar panels. Nestled alongside the River Soar, the village is renowned for its welcoming community, excellent primary school, countryside walks and superb commuter links to Loughborough, the M1 and beyond.

REALOBJECTS PDFReactor®

Evaluation Version

This PDF document was created by an evaluation version of RealObjects PDFReactor 11.6.12 (16335). The evaluation version is fully functional, but includes this information page. It must not be used for production purposes. The information page and all other evaluation notices must not be removed from the PDF file.

NOTE: Conversions in evaluation mode might be slower and the results might have a larger file size than in production mode.

About PDFReactor

RealObjects PDFReactor is a powerful formatting processor for converting HTML and XML documents into PDF. It uses Cascading Style Sheets (CSS) to define page layout and styles. The server-side tool enables a great variety of applications in the fields of ERP, eCommerce and Electronic Publishing.

PDFReactor supports HTML5, CSS3 and JavaScript.

It allows you to dynamically generate PDF documents such as invoices, delivery notes and shipping documents on-the-fly. PDFReactor allows you to easily add server-based PDF generation functionality to your application or service. Since PDFReactor runs on a server, the end-user in general does not need any software other than a PDF viewer.
