Built by Gullaksen Developments Ltd, "The Outlook" is an exclusive collection of just three individually designed homes, each carefully positioned to make the most of its enviable south-facing aspect and uninterrupted panoramic scenery.

From the moment you arrive, the quality and attention to detail of this impressive end-of-terrace townhouse are clear. Its striking exterior blends materials to create strong kerb appeal, while inside, the property boasts a high-specification finish throughout, including excellent energy efficiency and sound insulation. Designed to balance style with practicality, the spacious and versatile layout suits a range of buyers and lifestyles, with stunning views showcased from the main south-facing elevation and balcony.

Extending to approximately 2,010 sq ft (gross external area, including the balcony) across three floors, the accommodation is both generous and flexible. The ground floor features a welcoming entrance hall, cloakroom/WC, utility room, and a garden room. On the first floor, an outstanding open-plan kitchen, living, and dining area is filled with natural light, with bi-fold doors opening onto the south-facing balcony—perfect for enjoying the far-reaching views. A further bedroom with a nearby shower room is located at the rear.

The second floor hosts two additional bedrooms, both with en-suite facilities. The principal bedroom is particularly striking, with a part-vaulted ceiling and double doors opening onto a Juliet balcony overlooking the estuary.

Professionally decorated and finished with quality flooring throughout, this superb home is ready for immediate occupation.

Outside, a sliding automatic gate provides both privacy and access to the front, where there is ample parking, partly covered. To the rear, a paved terrace leads to a landscaped, low-maintenance tiered garden designed for wildflower planting, along with an elevated patio area that takes full advantage of the outstanding views—completing this impressive contemporary home.
