

Woodstock Crescent, Dorridge

In Excess of £850,000

PROPERTY OVERVIEW

This beautifully presented and internally remodelled detached property is set on a generous corner plot within a quiet cul-de-sac in the desirable area of Dorridge, offering a rare opportunity for families seeking both space and convenience.

Originally designed as a four bedroom home, the property has been thoughtfully reconfigured to provide three spacious double bedrooms and an additional bedroom / dressing room / sitting room / study, plus two luxury bathrooms, creating a more expansive and contemporary living environment.

Approached via a large block paved driveway and a well-maintained lawned garden, the house is within easy walking distance of all local schools and Dorridge Station, making it ideal for commuters and families alike.

The ground floor is accessed through an inviting entrance hallway with a guest cloakroom, leading to a dual aspect living room that is flooded with natural light, a formal dining room perfect for entertaining, and a remodelled breakfast kitchen featuring high-quality fittings and finishes. A large utility space is seamlessly integrated with the kitchen, providing additional practicality and storage. The kitchen and utility area both benefit from electric underfloor heating supplied by Porcelanosa, providing an added touch of comfort and luxury.

Upstairs, the principal bedroom boasts fitted wardrobes and a generously proportioned ensuite shower room, while the second double bedroom benefits from fitted wardrobes and an archway leading through to bedroom three, which is currently used as a sitting room / study, but could easily be reconfigured back to a double bedroom (depending on individual preferences). The fourth bedroom is also a comfortable double, ideal for family members or guests.

Further enhancing the home's appeal, the central heating boiler was replaced in March 2025 and benefits from the remainder of a 10-year manufacturer's warranty.

The property is absolutely immaculate throughout, having been maintained and upgraded to the highest standard, and truly requires internal inspection to be fully appreciated.

Outside is equally impressive, with the landscaped rear garden affording a full width patio area, enabling various seating areas to be configured, plus a further covered seating area located off the living room. The rear garden is mainly laid with lawn and borders.

This is a rare chance to acquire a home that combines flexible, modern accommodation with a prime location in one of Dorridge's most sought-after residential areas. Early viewing is highly recommended to avoid disappointment.
