The Property

A spacious and versatile three-bedroom semi-detached townhouse in Red Lodge, offering generous accommodation across three floors, a private rear garden, garage and parking making it an excellent choice for families, couples or anyone looking for flexible space with superb road links.

The ground floor opens with an entrance hall leading through to a comfortable living room, while to the rear is a well-proportioned kitchen/diner with plenty of room for everyday family life and entertaining. An adjacent utility area and separate W/C add further practicality.

On the first floor are two good-sized double bedrooms alongside the family bathroom, while the entire top floor is dedicated to the impressive main suite. This includes a spacious bedroom, built-in wardrobes, en-suite shower room and a useful dressing area with enough room for a dressing table, home working space or even a cot.

Outside, the property benefits from an enclosed rear garden, garage and parking space. The house offers excellent proportions throughout and is ready for a new owner to move in and put their own stamp on the space.

Red Lodge is ideally placed for access to the A11, making Newmarket, Bury St Edmunds and Cambridge all easily accessible. A fantastic opportunity to secure a substantial three-bedroom home in a well-connected location.

What the agent loves!

I genuinely think this is a really great-size three-bedroom home. So often with three-bedroom houses, the third bedroom can feel more like a box room, but here all three bedrooms feel genuinely usable. I especially love that the entire top floor is dedicated to the main suite as it gives it a real sense of privacy and makes the space feel that bit more special.
