## Denise White Agent Comments

This three bedroom terraced property is located on the popular Tittesworth Estate in Blackshaw Moor. The house offers well-proportioned accommodation throughout but would benefit from a programme of modernisation, making it an ideal opportunity for buyers looking to update a home to their own taste.

The accommodation briefly comprises an entrance hallway leading through to a spacious lounge. To the rear is a dining area which is open plan to the kitchen, providing a practical layout for everyday living.

To the first floor there are two very good sized bedrooms along with a further single bedroom which remains a practical space. The bathroom and separate WC complete the upstairs accommodation.

The property is situated in a convenient residential location and offers good potential for improvement.

## Location

Blackshaw Moor is a picturesque rural hamlet situated just outside the vibrant market town of Leek, in the heart of the Staffordshire Moorlands. Surrounded by rolling countryside and open farmland, the area offers a peaceful, semi-rural lifestyle while remaining highly convenient for everyday amenities.

Leek, located only a short drive away, provides a comprehensive range of shops, supermarkets, cafés, traditional pubs, and well-regarded schools, along with a popular weekly market and a strong sense of community. The town is also known for its independent retailers and attractive Victorian architecture.

The location is particularly appealing to those who enjoy the outdoors, with direct access to scenic walking and cycling routes and the Peak District National Park close at hand, offering dramatic landscapes, reservoirs, and extensive bridleways.

Despite its rural feel, Blackshaw Moor is well positioned for commuting, with good road links to Stoke-on-Trent, Macclesfield, and the wider North West and Midlands via the A53 and A523.

Combining countryside tranquillity with excellent accessibility, Blackshaw Moor is an ideal location for buyers seeking a quieter way of life without sacrificing proximity to town amenities and transport connections.
