ABOUT THE PROPERTY

An attractive period three bedroom upper maisonette neatly situated on a quiet no through road, close to the River Thames and The Hammersmith Bridge.

This spacious (approaching 1000 square feet) and well-presented end-terrace property is accessed via a private entrance, and has stairs leading up to the first floor where the accommodation is arranged to provide two bedrooms at the front of the property, a stylish modern kitchen and bathroom, with a large living/dining room that flows nicely into a garden room at the rear of the property. The primary bedroom is on the second floor and is exceptionally light and spacious with ample eaves storage and a Juliet balcony that offers some lovely views at the rear. There is access from the rear down to a large private garden that is mostly laid to lawn and has a paved terrace.

Local shops and amenities can be found on nearby Castelnau, whilst a wider range can be found over the bridge in Hammersmith. Local schools include The St Pauls School, The Harroldian and The Swedish School to name a few. Hammersmith Station is within walking distance, which offers excellent transport links into the city.
