Nestled in the sought-after village of Holme, this deceptively spacious true bungalow has been thoughtfully extended and beautifully designed to offer an exceptional blend of style, space, and modern living. At the centre of the home is an impressive open-plan kitchen/diner, providing a sociable setting for everyday life, family gatherings, and entertaining guests. Complementing this is a welcoming lounge, where glazed patio doors frame views of the garden and open directly onto the outdoor seating areas, creating a seamless flow between inside and out. The accommodation further comprises two generous double bedrooms, offering comfortable and peaceful retreats, served by a well-appointed shower room and the added convenience of a separate cloakroom. Outside, low-maintenance gardens and patio areas wrap around the property, providing attractive spaces to relax and alfresco dine. A detached single garage and off-road parking for two vehicles
