On the face of it this seems to be just like every other terraced house in Billingham town centre but there is plenty out of the ordinary to mention here!

To start with the good sized rear garden is delightful and a driveway to the front provides some really useful forecourt car parking space. Internally, the accommodation is very nicely presented and comprises entrance hall, lounge with living flame electric fire and breakfast kitchen fitted with a stylish range of oak style units and some built-in appliances. The first floor has two double bedrooms (bedroom one being particularly large) and shower room/WC with an attractive white suite fitted by Courts.

Other features include UPVC double glazing and central heating with Worcester combi boiler. The location means that Billingham town centre, Billingham Forum and other really useful facilities are all within easy reach.
