Mawsley Village Local Area Information

Mawsley is a modern village and civil parish in North Northamptonshire, situated south-west of Kettering and close to the A43. Although it is a relatively new settlement, planned from the 1990s and developed from 2001 onwards, it was designed to create the character and feel of a traditional Northamptonshire village. The village has winding streets, attractive green spaces and good pedestrian routes, with a significant amount of open space including a recreation ground and natural and semi-natural areas. Its location provides a quiet rural setting while remaining within convenient reach of Kettering and the surrounding area.

A key feature of Mawsley is the range of facilities available within the village itself. These include a local shopping centre, Mawsley Village Surgery, Mawsley Dental Clinic and Mawsley Community Primary School, alongside The Centre at Mawsley, which provides meeting rooms, a main hall, lounge and bar and supports a wide range of community activities and events. The village also has numerous clubs, groups and activities, helping to create a strong community atmosphere. Its combination of modern housing, green spaces, local amenities and community facilities makes Mawsley distinctive among newer settlements in the area.
