

1A Windermere Road, Kettering NN16 8UE

Offers Over £350,000

An impressive, detached bungalow, pleasantly positioned within a highly regarded residential area just off Bowhill and Gipsy Lane. The location is particularly convenient, with the hospital within walking distance and the town centre and mainline railway station approximately half a mile away. Set on a wide plot, the property benefits from off-road parking and a garage, together with a private, easily managed rear garden.

The accommodation has been thoughtfully arranged for comfortable, easy living. Comparable in overall size to many three-bedroom bungalows, this home instead provides especially generous living space. A notably spacious lounge opens into a separate dining area and a large conservatory, creating a flexible and welcoming setting for everyday life and entertaining. A wide entrance halls leads to the principal bedroom (with built-in wardrobes and en-suite bathroom), a second bedroom, separate shower room, and a fitted kitchen. From the kitchen, a useful, covered passageway provides convenient access to the garage, front garden, utility room and the sheltered rear garden.

This is a particularly appealing opportunity for anyone seeking a well-proportioned bungalow in a desirable and convenient part of town. Bungalows offering this combination of space, privacy and accessibility are seldom available, and an early viewing is therefore recommended. Offered for sale with no onward chain.
