

1 Hele Cottages, West Sandford, Crediton, EX17 4PE

Guide Price £400,000

1 Hele Cottages, West Sandford

Crediton

- Traditional cob cottage in a delightful rural setting
- Three bedrooms and two bath/shower rooms
- Two reception rooms plus garden room
- Ground floor bedroom and shower room
- Outstanding gardens and productive grounds
- Air source heat pump and owned solar panels with Feed-in Tariff income
- Garages, workshop and further outbuildings
- Village location close to Sandford and Crediton

Set within the parish of Sandford, approximately one kilometre from the centre of the village, 1 Hele Cottages enjoys a wonderful position surrounded by countryside whilst remaining close enough to make the most of village life. Sandford itself is one of Mid Devon's most sought-after villages, with its community shop and post office, popular pubs, primary school and numerous clubs and activities, whilst Crediton is just a short drive away.

The cottage itself is full of character and warmth. Traditional cob walls, exposed timbers and an impressive inglenook fireplace with bread oven and woodburner create a home that feels both settled and welcoming. Over the years it has evolved into a flexible and comfortable family home, equally suited to those seeking multi-generational living or simply plenty of room to spread out.

The accommodation offers two reception rooms, providing flexibility for family life, entertaining or working from home. The kitchen flows naturally into a garden room, creating a lovely connection with the outside and making the most of the beautiful surroundings. A ground floor bedroom and adjacent shower room add further versatility, ideal for guests, dependent relatives or those wishing to live primarily on one level.

Upstairs are two further bedrooms and a family bathroom, with lovely views over the surrounding countryside adding to the peaceful atmosphere.

Practical improvements have ensured the property is as efficient as it is attractive. An air source heat pump provides heating and the owned solar panels generate a useful income through the Feed-in Tariff scheme, which remains index linked for the remainder of its term. The property is also served by a private water supply and modern sewage treatment plant.

The gardens are one of the defining features of the property. They are mature, productive and beautifully arranged with areas of lawn, patios, vegetable beds, soft fruit, apple trees and a magnificent walnut tree. For those with green fingers, there is already much to enjoy, whilst the various seating areas make the most of the peaceful setting. A greenhouse, potting shed, workshop, studio and further stores all add to the appeal, whilst two garages and private parking provide plenty of practicality.

Overall, 1 Hele Cottages offers a rare combination of period character, sustainable living and exceptional outside space.

Boundaries, Access & Parking:

Boundary positions, access rights and parking arrangements have been provided by the seller, and any land plans shown are for identification purposes only. We have not seen the title deeds or other legal documents, and buyers should confirm exact details and ownership responsibilities with their conveyancer.

Broadband & Mobile Coverage:

Broadband speeds and mobile signal vary by provider and location, and service availability can change over time. Buyers can check current availability and predicted speeds at www.ofcom.org.uk or via the Ofcom coverage checker.

Virtual Staging:

Some images used in this marketing material may be virtually staged for illustration purposes. Buyers should not assume that furnishings, décor, or condition shown are representative of the property as currently presented.

Private Drainage:

We're informed by the seller that the property has a private drainage system, which they advise is in working order. Buyers should satisfy themselves regarding its type, condition and regulatory compliance with their conveyancer.

Heating Type (Non-Mains):

We're informed by the seller that the property is heated via electric central heating. Buyers should confirm servicing arrangements and running costs.

Private / Unadopted Road:

We're informed by the seller that access to the property is via a private road. Buyers should confirm ownership, rights of access and responsibility for maintenance or repair with their conveyancer.
