However, from time to time tenants may have to pay charges in certain circumstances. For a full list of these, please see our Tenants Fee Guide below:

(this maybe non-refundable)

This fee is non-refundable should you decide not to progress your application / sign your tenancy agreement within 15 Calendar days (unless otherwise mutually agreed) or if you have given false/misleading information on the application form or any applicant fails a Right to Rent check. It will be returned to you in the event the landlord is

unable to proceed.

Deposit The equivalent of 4/5 weeks rent (per tenancy)

This is to cover any damages, dilapidations and defaults on the part of the tenant during the tenancy.

If the loss results in locks needing to be changed, the actual costs of a locksmith, new lock and replacement keys for the tenant, landlord any other persons requiring keys will be charged to the tenant. If extra costs are incurred there will be a charge of £15 per hour (inc. VAT) for the time taken replacing lost keys or other security devices.

Ending a Tenancy Agreement Early / Early Termination (Tenants request)

In situations where a tenant wants to leave a fixed-term tenancy early, if authorisation is given allowing the tenant to vacate the premises before the expiration of any tenancy agreement, you may be liable for the following:

- Rent - liable to pay for the entirety of the tenancy or up to the date the premises are re-let, whichever is sooner.

- Any costs that the landlord encompasses in re-letting the property until the start date of the replacement tenancy.

- Council tax, water rates, gas and electricity charges along with any other bills which are the tenants responsibility under the tenancy agreement up to the date the premises are re-let, or the expiration of the tenancy agreement, whichever is sooner.

- These costs will be no more than the maximum amount of rent outstanding on the tenancy.

Payments in Default

A payment in default is a payment required by the landlord or agent arising from a breach of the tenancy agreement by the tenant, whether late payment of rent by its due date or some other breach.

These are occasions where it would be unfair for the landlord to be responsible for meeting the cost to them as a result of the actions of the tenant.

Such as:

- Missed Appointments – a landlord/agent arranges with a tenant for a contractor to carry out remedial work at a property, and a tenant subsequently refuses entry, or not being home to allow entry, resulting in charges to the landlord.

- Avoidable or purposeful damage to property – damage to a property caused by neglect or careless or wilful behaviour by the tenant.

- Replacement keys – loss of keys by the tenant requiring a landlord/agent to arrange for the cutting of new keys and delivery of those keys to the tenant.

- Emergency / out of hours call-out fees – fees incurred as a result of a landlord/agent arranging for someone to attend the tenants property at the request of a tenant, such as a locksmith or an emergency glazier at the early hours of the morning, when the problem has been caused by the tenant in the first place, such as a window broken on purpose, or keys locked inside a house.

Other Permitted Payments

Any other permitted payments not included above, for breaches of contract or under the relevant legislation including contractual damages.
