3 Bedrooms
House - Terraced

Located on the ever-popular Pantbach Road in Birchgrove, this well proportioned three bedroom mid-terrace home presents an excellent opportunity for first time buyers looking to step onto the property ladder in a well-connected North Cardiff location.

The property offers a traditional layout with two reception rooms, a separate kitchen, ground floor bathroom and three genuine bedrooms. Period features including wooden flooring, picture rails and a feature fireplace give the home warmth and personality. One of the standout features is the good size rear garden together with the rare benefit of off-road parking to the rear — a significant advantage for buyers in this price bracket.

There is also clear scope to add value over time. Many neighbouring properties have relocated the bathroom into bedroom three, allowing for the creation of a larger open-plan kitchen/diner to the ground floor — a highly desirable layout for modern living (subject to the necessary permissions).

Birchgrove offers excellent everyday convenience, with local shops, parks and transport links all within easy reach, including Birchgrove train station for direct access into Cardiff city centre. To be sold with no onward chain.
