10 Lighthouse Road, St. Margarets Bay

A handsome detached bungalow in established gardens situated in a desirable area of St Margaret's Bay.

## Situation

Situated along a private road which carries on to the South Foreland Valley and rolling countryside, Bahia resides in a favoured location at the top of the village, within easy reach of the centre of St Margaret's at Cliffe, where a range of local amenities include a general store, post office, primary school and a selection of cafes, inns and restaurants. A regular bus service from the end of Lighthouse Road provides access to the larger towns of Deal and Dover where a wide range of independent and high street stores are present. The surrounding countryside consists of gently undulating hills, the dramatic white cliffs of Dover and the ever popular St Margaret's Bay with its secluded beach and popular inn; The Coastguard, set among protected National Trust land. The main line railway station at Martin Mill is approximately two miles away with links to the Javelin high speed service to London St Pancras. Ferry services from Dover and the Channel Tunnel serve easy access to the Continent and beyond.

## The Property

Bahia is an attractive modern detached bungalow with architectural features suggestive of the late 1960's, set back from the road, with well tended gardens to front and rear. The accommodation is laid out off a central wide entrance hallway and vestibule with an L-shaped sitting room and dining area off to the left hand side, with fireplace and windows to front and rear. From here lies a good size kitchen with fitted range of cooking appliances and access to a delightful conservatory overlooking the back garden and enjoying a sunny aspect. The accommodation has been adapted, previously being three bedrooms and now having a rear double bedroom with access to en-suite shower room combining as a utility area, and a second double bedroom to front with fitted wardrobe and cupboard units. A family bathroom suite completes the

accommodation. Additional benefits include double glazing and gas central heating via a boiler located in the kitchen.

## Outside

The property is set back from the road with a low retaining wall capped with hedging providing a degree of privacy and seclusion to a flat lawned space and off road parking. Double wooden gates open to the side with restricted access leading to a detached single garage.

The generous rear garden is a particular feature of this property with a low maintenance west facing garden with a useful potting shed behind the garage together with a productive raised vegetable patch and selection of established borders leading to a mature flower bed, trees and bushes, situated at the rear.
