PROPERTY SUMMARY

Situated on the popular Percy Road in the heart of Whitton, this well-located one-bedroom first-floor flat presents an excellent opportunity for first-time buyers, downsizers or investors.

The property offers a practical and well-proportioned layout, comprising a welcoming reception room, a comfortable double bedroom and a bathroom. While the accommodation would benefit from some updating, it provides a solid foundation for a new owner to personalise and make their own.

One of the property's key advantages is its excellent location. Percy Road is ideally positioned for enjoying the best of Whitton, with a good selection of local shops, cafés, restaurants and everyday amenities close by. The area is also well connected, providing convenient transport links towards Twickenham, Richmond, Kingston and Central London.

Another major attraction is the competitive price, making this an appealing option for buyers looking to secure a property in this popular part of West London. The flat also benefits from a long lease of approximately 160 years, providing valuable long-term security for both owner-occupiers and investors.

Offered with no onward chain, the property is ready for its next owner and represents an opportunity to acquire a home in a sought-after location with scope to add personal touches and value over time.
