REFERENCE BA0665 This 1970's detached property sits up from Main Street on a large double width south facing plot within this highly desirable village. Available for the first time since 1975 it presents a perfect opportunity for an incoming buyer to create a fantastic lifetime home. All existing rooms are very generous in their proportions and there is a three car garage, all of which could certainly be remodelled. There may also be scope to extend the property subject to any local restrictions , planning permission and building regulation approval. Currently there are five bedrooms to the first floor, four of which are generous doubles, along with two bathrooms and a dressing room. The ground floor offers three reception rooms, kitchen, utility room and cloakroom. There is parking for many cars and a three car garage. The substantial gardens run to the side and rear of the house and provide ample space for further development.
