****DIRECTLY ON THE RIVERFRONT WITH UN-OBSTRUCTED WINDSOR CASTLE VIEWS****

A rare opportunity to purchase a 4 bedroom townhouse with garage and two private terraces located in the heart of Eton, situated off the high street at the end of a quiet cul-de-sac, directly on the Riverfront with unobstructed views of Windsor Castle.

This house is generously proportioned at 1784 sq ft and is split across 4 floors with river views on all levels, so is naturally very bright.

The accommodation is set up very flexibly; currently it is laid out as 3 bedrooms and 2 reception rooms, as the ground floor bedroom is being used as a study, however it could also be laid out to have 4 bedrooms and 1 reception room.

There is a separate kitchen on the 1st floor and two bath/shower-rooms, with one being an ensuite to the master bedroom on the 3rd floor.

There is also a separate W.C. on the ground floor, which easily has enough space to house a utility area within as it is generously sized or be turned into another bath or shower room.

There is a garage to the front of the property, which can be accessed integrally, and one can apply for residents parking in addition.

The house does require updating, so would be ideal for someone who would like to put their own stamp on their property.

There are no onward chain complications.

This property would be ideal investment as the beautiful views are timeless and the location is very central. It would also be a wonderful haven for someone looking to escape to a quieter, more serene location, but still be close to connections and be able to access to London in a short space of time.

LOCATION

The property is centrally located, just off Eton High Street, towards the end of a small residential road called King Stable Street, in the private development of Chantry Place, overlooking the Thames Waterside with direct Windsor Castle views.

One is approximately a two minute walk from the shops, which include numerous independent cafes, restaurants, public houses and many deli's and boutique stores, including the historic Book Shop, found on Eton High Street.

The nearby Brocas Park is a beautiful place to go for a riverside walk, have a picnic or walk the dog, and if one crosses over the bridge, you come straight into the Town Centre of Windsor, where there is an even greater abundance of wonderful and interesting offerings. This includes the Theatre Royal, the famous Long Walk, Windsor Castle, and many more shops, restaurants, cafés and parks all around.

TRANSPORT

In terms of Transport links by car, Eton is situated off Junction 6 of the M4, and one can reach the M25 at Egham, which is less than a 10 minute drive away.

Heathrow Airport is approximately 20 minutes away and the local buses also provide a direct service there.

Windsor & Eton Riverside Station, which travels directly to Waterloo, is only 0.1 miles away and Windsor Central Station, which connects directly to the Elizabeth line and provides direct access to Paddington, is only 0.3 miles away.
