Full Description

Set within the highly regarded Holmwood area, this well-presented, semi-detached bungalow offers generous and thoughtfully arranged accommodation in a quiet, private setting. The home enjoys the benefits of a gated approach, two well-proportioned bedrooms, two bathrooms, parking and a low-maintenance rear garden that backs onto surrounding woodland, creating a peaceful outlook.

The property is entered via a welcoming hallway which includes a full-height storage cupboard, ideal for coats and household items as well as a linen closet. The kitchen is fitted with a selection of wall and base units, providing plenty of storage and worktop space, along with room for freestanding appliances. Hard-wearing tiled flooring completes the space, making it both practical and easy to maintain. Positioned at the rear, the living and dining area is bright and spacious, making it well suited to both everyday living and entertaining. French doors open directly onto the garden, allowing natural light to flood the room and creating a seamless connection between indoor and outdoor space. The principal bedroom is a comfortable double and benefits from its own ensuite shower room and wall to wall built-in storage. A second bedroom, also a good size, is located at the front of the bungalow and also offers wall to wall storage and pretty views out. The main bathroom completes the accommodation and features a bath with shower over, along with built-in storage.

Outside

The property is approached via a private gated driveway with two allocated parking spaces, including one covered bay. Visitor parking is available nearby, and an EV charging point adds further convenience. The communal areas are attractively maintained with lawns, hedging and established planting. To the rear, the enclosed garden has been designed for ease of upkeep, featuring a paved patio area and mature hedging that provides a good degree of privacy and a pleasant woodland backdrop.
