IF YOU LIVED HERE...

Step inside and the sense of space is immediate. The ground floor unfolds from a generous front reception room, where the wide bay window draws in plenty of natural light. Neutral décor and warm flooring create a calm backdrop, while the proportions leave ample room for both relaxing and entertaining. To the rear, the home opens out into a substantial kitchen diner, thoughtfully extended to create a sociable heart of the house. Skylights and garden-facing glazing enhance the brightness, while the generous layout offers plenty of room for cooking, dining and gathering with friends and family. A contemporary family bathroom sits to the rear, alongside direct access to the garden.

Up on the first floor you'll find three bedrooms. The principal bedroom stretches across the full width of the house at the front, with two windows and plenty of room for storage. Two further bedrooms sit to the rear and centre of the floor, offering flexibility for growing families, guests or home working. The arrangement feels practical and well balanced, with each room enjoying good natural light.

The second floor provides two additional bedrooms and a modern shower room. The larger loft bedroom is particularly impressive, with useful eaves storage and enough space to create a peaceful retreat away from the rest of the home. Outside, the paved rear garden offers low-maintenance outdoor space, while the detached outbuilding provides valuable extra flexibility, whether used as a studio, workshop, gym or workspace.

WHAT ELSE?

Leyton Midland Road station is nearby, offering convenient Overground connections, while Leyton Underground station provides Central line services into the City and West End. Francis Road is within easy reach and packed with independent favourites including Yardarm, Marmelo Kitchen, Dreamhouse Records and Perky Blenders.

For green space, both Coronation Gardens and Hackney Marshes are close by, while the Queen Elizabeth Olympic Park offers sporting facilities, waterside walks and year-round events.

A WORD FROM EXPERT...

"Leyton has that rare mix of grit and warmth that makes everyday life feel a little richer. On Francis Road, Saturday mornings turn into catch-ups over coffee, while the High Road hums with the scent of everything from Peruvian fusion to fresh-baked bread. I love that you can be in Jubilee Park with the dog one minute or heading to the Olympic Park for something completely different. It's a place that gives you room to breathe without ever feeling sleepy. The homes here have real soul; Victorian terraces with bay windows, Edwardian conversions full of character, and just enough quirks to make each one unique. Add the quick Central Line dash into town, schools you can count on, and a community that still says hello on the street, and it's hard not to feel anchored here. Leyton isn't trying to be perfect, it's real, evolving, and exactly where I want to be".
