For the first time in 70 years Joules bring to the market this deceptively spacious two double bedroom terraced - situated in the sought after and convenient location of Dodge Hill Conservation Area on a cobbled road being a short stroll to the centre of Stockport with its many amenities. Also handy for public transport and the motorway network.

The property briefly comprises: Entrance hall, lounge, dining/sitting room and kitchen with a range of units. Upstairs you will find two good sized double bedrooms, a spacious bathroom and a store room that lends itself to an office/study. There is also a cellar providing extra storage space. Outside is a front garden and an enclosed rear garden.

Built around the turn of the century this good sized property offers many original features including deep skirting boards, high ceilings and some rooms have ceiling coving and picture rails all of which add to the charm. The property is in need of updating - which has been taken into account in the asking price.
