The Studio, 14 Bedford Close is an individual and surprisingly spacious one-bedroom coach house, pleasantly situated in a quiet location within Banbury, close to local schooling and amenities. Arranged over three levels, the property offers versatile accommodation, excellent storage facilities and an allocated parking space. On the ground floor, an entrance hallway has stairs rising to the first floor and access to a particularly useful large storage room with power, lighting and a window, which could also provide space for study. The first floor comprises a spacious sitting room with a wall-mounted gas fire, a further reception area and a modern refitted kitchen with integrated appliances. There is also a contemporary bathroom on this level. Stairs rise to the second floor where the loft conversion provides a spacious double bedroom with three Velux windows and useful low-level storage. Outside, there is a small, gated courtyard area with additional storage, together with further useful storage beneath the archway. To the rear of the property is one allocated parking space. We have prepared a floor plan to show the room sizes and layout. Some of the main features include:
