Five-Bedroom Licensed HMO – Northampton Town Centre – Walking Distance to University

An excellent opportunity to acquire a substantial four-storey, five-bedroom licensed HMO, ideally positioned in Northampton town centre and within walking distance to the University of Northampton—making it highly attractive to student and professional tenants alike.

The property is well laid out over four floors and comprises five spacious bedrooms (potentially 6 bedrooms subject to permission), a generous reception room, a fitted kitchen, and two bathrooms, providing practical and comfortable multi-occupancy living.

To the rear, the property benefits from off-road parking—an increasingly rare and valuable feature in such a central location, further enhancing tenant demand.

Importantly, there is clear potential to reconfigure the current layout to create a sixth letting room (subject to the necessary consents), offering scope to significantly increase rental income and overall yield.

Located just a short walk from the University of Northampton, town centre amenities, shops, bars, and transport links, this property sits in a prime rental hotspot with consistent demand and strong long-term investment fundamentals.
