Garden

Entering through the front door at Ingleside you are straight into a welcoming hallway which gives you access to all of downstairs rooms. The hallway benefits from understairs storage along with a large separate storage cupboard.

Leading on into the kitchen there are beautiful views of the garden and the ever impressive Coniston Old Man beyond. The kitchen has a range of wall and base units, laminate worktops, a four ring gas hob and an electric cooker with extractor over. An attractive Belfast style sink with mixer tap is set in butchers block worktop. There is an undercounter integrated fridge and space for an undercounter freezer along with plumbing for a washing machine. The room has a useful serving hatch to the living room, spotlights to the ceiling and is partly tiled. A large cupboard houses the gas boiler and a glazed PVC door gives access to the private garden.

The light and airy triple aspect living room offers a wonderful space to relax and unwind whilst enjoying the splendid views of the superb Coniston fells. The coal effect gas fire with decorative surround gives the room a cosy feel, especially on the chilly winter evenings.

On the ground floor you have two comfortable double rooms one with a view over the garden and to the beautiful fells, the second with a view to the front aspect over the garden. The third bedroom is a single room and currently be used as a snug but could be used as a bedroom or indeed home office.

The family bathroom comprises of a 3 piece suite, a bath with shower over, WC and wash hand basin.

To the first floor landing you are greeted with superb views from the skylight. A WC with wash hand basin is nestled between the two twin rooms on this floor.

Both bedrooms benefit from incredible views from the Velux windows and both have super under-eaves storage. These rooms are the perfect place for family and guests to rest their heads when they visit.

Outside at Ingleside there is a paved drive and separate single garage with light and power. The front garden is mainly laid to lawn and has a variety of mature shrubs. A gate leads you around to the private back garden which boasts magnificent views of The Old Man of Coniston! The garden is laid to lawn with a pretty decorative rockery, mature trees and shrubs which attract a variety of wildlife all year round.

There is a timber shed for storage and a timber summer house with decking, a simply perfect place for sitting back and taking in the views on a summer's evening.
