A smartly presented one bedroom garden flat on Russell Road.

Located right on the border where E10 meets E17, this flat is ideally positioned for everything that both Leyton and Walthamstow have to offer. Whether it's a meal out with friends in the Village or Leyton High Road, or a quiet pint in one of the many local pubs, it's all within easy reach. Plus the daily commute is covered too, thanks to the many buses along Lea Bridge Road or the train and Tube from Walthamstow Central.

The flat itself is well presented, with a cool, neutral colour palette throughout. To the front is the lounge, complete with feature fireplace, with the bedroom directly behind, off the hallway. This latter room has direct access to the rear garden via double glazed French doors.

Moving along the corridor we come next to the three-piece family bathroom, complete with shower over the tub, followed by the kitchen and dining room. The kitchen has an integrated oven and hob, whilst the dining room has view of (and access to) the garden.

The private garden itself is very generous for a property of this size. It's mostly laid to lawn, with a paved patio area directly adjacent to the flat - ideal for relaxing with a glass of something cold on a summer's evening!

Shall we take a look...?
