Using the very best materials and flair for interior design, this wonderful home has been transformed by the current owners.

The downstairs comprises a well appointed through reception room with a large bay window flooding the room with light. The impressive open-plan kitchen is a real focal point of the house, with bi-folding doors seamlessly flowing into the beautifully landscaped garden.

Up onto the first floor there are three double bedrooms and a family bathroom. The principal bedroom, situated at the front of the property, enjoys a large bay window which floods the room with natural light. The second and third doubles enjoy garden views.

We highly recommend viewing this house to fully appreciate the standard of workmanship.

Grosvenor Road is a short walk to the neighbourhood shops and cafes on Northfield Avenue and West Ealing Broadway. Rail links for West Ealing (Elizabeth Line) and Northfields (Piccadilly Line), both easily reached. The nearby schools are Oaklands Primary and Elthorne Park High School, both very popular with local families.
