High Street, Buxted, TN22 4JU

This beautifully extended three-bedroom semi-detached home offers generous living space and a stylish, modern finish, perfectly suited to contemporary family life, with active planning permission for a loft conversion to add two further bedrooms and a ground floor back extension for a new kitchen and living space. Stepping into the impressive entrance hallway, you're immediately struck by the sense of space, complemented by elegant parquet flooring and a full wall of bespoke storage. It sets the tone for the rest of this thoughtfully updated home. To the front, the spacious lounge features a charming bay window and a striking wood burner, creating a warm and inviting setting for relaxing or entertaining. Built-in shelving and cabinetry either side of the fireplace add both practicality and style, enhancing the room's bright yet cosy feel. The ground floor has been cleverly reconfigured to suit modern living, now offering a stylish kitchen with ample worktop space and a sleek contemporary finish, alongside a separate snug/cinema room, an ideal retreat for movie nights, a playroom, or a more intimate second reception space. A convenient downstairs WC completes the layout. Upstairs, there are three bedrooms, all finished with attractive wooden flooring that adds character and continuity. The standout family bathroom has been recently refitted to a high standard, featuring both a bath and separate shower with a clean, modern design. Outside, the south-facing enclosed rear garden is mainly laid to lawn, providing a safe and spacious environment for children and families to enjoy. The garden is not overlooked, ensuring privacy. A detached home office/bar, which includes WiFi, offers an excellent solution for remote working, creative use, or simply relaxing. Additional features include a garden shed, greenhouse, and a big driveway ample for multiple cars, including an electric car point.
