The Brunel is an impressive five-bedroom, three-storey home extending to 2,266 sq ft, thoughtfully designed for modern family living and finished to an exceptional specification throughout.

Nestled in the idyllic grounds of Blackwell Grange, Havelock Park is located on the outskirts of Darlington. A haven of peace and tranquillity, picturesque Blackwell has long been a desirable place to live.

The Brunel is an impressive five-bedroom, three-storey home extending to 2,266 sq ft, thoughtfully designed for modern family living and finished to an exceptional specification throughout.

A welcoming entrance hallway leads to the heart of the home, a spacious open plan kitchen, dining and family room. The beautifully appointed Ellis shaker-style kitchen features Silestone worktops, a Quooker tap, wine fridge and a full range of integrated Bosch appliances, including a fridge freezer, dishwasher, induction hob and cooker hood. Expansive bi-folding doors create a bright and airy living space, seamlessly connecting the home to the garden and making it ideal for both entertaining and everyday family life.

Practicality has been carefully considered, with a dedicated utility room fitted with an integrated Bosch washer and dryer, alongside a useful boot room, downstairs cloakroom and plenty of storage throughout the home. The property also benefits from a highly efficient Panasonic air source heat pump, solar panels, EV charging point and double garage with electric garage doors, helping to create a sustainable and energy-efficient fully electric home.

Across the upper floors, The Brunel offers five generously sized bedrooms, including three luxurious en-suite bedrooms. Bathrooms and en-suites are finished to a premium standard with Hansgrohe and Ideal Standard Atelier sanitaryware, elegant Porcelanosa wall and floor tiling throughout, vanity units to en-suites, Silestone shelving, illuminated mirrors and heated towel rails. The well-proportioned family bathroom provides a stylish and practical space for the whole family.

The top floor is further enhanced by a striking Velux balcony window, flooding the space with natural light and creating a unique feature that adds to the home's contemporary appeal.

Throughout the property, thoughtful finishing touches include spotlights, chrome switches to the ground floor and landing, USB double sockets and double-glazed windows. Externally, The Brunel benefits from paving around the property, a brindle block-paved driveway, 6ft fencing

to the rear garden and a professionally landscaped front garden with planting and turf included. This house type also benefits from a separate double garage and further parking.

Combining outstanding space, luxury finishes and exceptional attention to detail, The Brunel is a home designed to be enjoyed from the moment you move in.
