DETAILED DESCRIPTION

Presented in excellent decorative order, this attractive mid-terrace property offers a bright and welcoming living space spanning approximately 730 square feet. Approached via a neat front courtyard with slate chippings and a grey picket fence, the modern composite front door opens directly into the beautifully finished sitting room. This front reception space features fresh pale grey walls, plush grey carpeting, white plantation window shutters, and a striking contemporary media wall with an integrated electric fireplace.

The adjoining dining room continues the elegant theme with bespoke built-in dark grey alcove shelving and glazed double doors that offer direct access to the rear garden, allowing natural light to flood the room. A small step leads up into the sleek, galley-style kitchen, which has been thoughtfully upgraded with pale grey shaker-style base and wall cabinets, contrasting worktops, and modern tiled flooring. It is fully equipped with an integrated oven, an electric hob, a stainless steel sink with a mixer tap, and recessed ceiling spotlights. Beyond the kitchen, the contemporary bathroom features stylish grey wall and floor tiles and a crisp white suite, including a bath with a glass shower screen, a modern W/C, and a vanity unit with an integrated wash basin.

The first floor presents a wonderfully versatile layout. To the front, the principal double bedroom is highlighted by a striking olive-green panelled feature wall, extensive mirrored wardrobes, and white window shutters with an integrated blackout blind. The second double bedroom serves as a calming retreat, complete with light grey decor, plush carpeting, and matching shutters. Finally, a rear box room provides excellent additional space, perfect for a dedicated workspace, dressing room, or nursery.

Externally, the property benefits from a fully enclosed private rear garden. The outdoor space includes a hardstanding patio area immediately to the rear, leading to a central section that is a blank canvas ready for landscaping or a lawn, all secured by timber fencing. On-street parking is available to the front of the property.
