REFERENCE BA0665 Ben Appella. This four bedroom detached home presents very well indeed, having been improved by my clients during their tenure. Situated in a very popular residential road within this well thought of village and extended by the previous owners the property affords very well planned and spacious living accommodation throughout, which will most certainly appeal to those discerning buyers looking for generous family space. In brief, the accommodation comprises four generous bedrooms, two bathrooms, a ground floor cloakroom, two reception rooms and a wonderful live in kitchen/dining room, that gives access to the rear garden. Outside there is a good sized rear garden, a double garage and driveway parking for two to three vehicles.
