This well-presented home offers comfortable and practical living arranged over two floors, making it an ideal choice for couples or families. The layout has been thoughtfully designed to make the most of the space, with a natural flow between living areas.

The kitchen is modern and functional, finished with clean-lined units, wooden worktops and stylish tiled splashbacks. It provides plenty of storage and preparation space, while the adjoining dining area enjoys good natural light and comfortably accommodates a family table, making it ideal for everyday meals and entertaining.

The living room is a welcoming space to relax, with soft flooring and large windows overlooking the garden, creating a bright yet cosy atmosphere.

Upstairs, there are three well-proportioned bedrooms, each offering flexibility for family living, guests or home working. The main bedroom provides a calm and comfortable retreat, while the remaining rooms are well suited to children, with layouts that adapt easily as needs change. The bathroom is finished in a contemporary style, featuring a modern suite with a bath and shower.

Outside, the rear garden offers a pleasant and manageable outdoor space, combining paved seating areas with lawn and raised beds, ideal for relaxing, entertaining or children's play. Overall, this is a well-balanced home that combines modern finishes with practical living, well suited to everyday family life.
