This detached family home on Grendon Drive offers generous, adaptable living space, thoughtfully extended and reconfigured to create a four-bedroom layout ideal for modern family life. The heart of the home is the enlarged kitchen and dining area, a bright and social space designed for everyday cooking, relaxed meals and effortless entertaining. The lounge provides a comfortable retreat, while the addition of a downstairs toilet adds welcome practicality.

A former garage has been cleverly converted to create a highly versatile ground-floor room that can serve as a bedroom, home office or playroom, giving the property the flexibility to evolve with changing needs. Upstairs, four well-proportioned bedrooms offer excellent family accommodation, with an ensuite shower room adding a touch of convenience and privacy. Solar panels enhance the home's efficiency, and the property benefits from gas radiator central heating and UPVC double glazing throughout.

The rear garden is fully enclosed, creating a safe and private outdoor space for children, pets or quiet relaxation.

Grendon Drive sits on the north side of Rugby, an area known for its strong sense of community and excellent everyday amenities. Local shops, takeaways, a chemist, doctors' surgery, church and community centre are all within easy reach, along with well-regarded schools. Rugby College and the town's retail parks are close by, and the location offers straightforward access to the M6 and M1 motorway networks. Rugby Railway Station provides fast mainline services to London Euston and Birmingham New Street, making this a superbly connected setting for families, commuters and anyone seeking convenience without compromising on comfort.
