30 SPRINGFIELD PARK, NORTH PARADE, HORSHAM, WEST SUSSEX RH12 2BF

Springfield Park is a unique and prestigious gated development, highly accessible for the town centre, approximately a quarter of a mile away, whilst being opposite Horsham Park, across which is a pleasant walk to the Horsham's mainline station. The secure main entrance comprises electronically operated main security gates opening to the park style setting with a sweeping driveway leading towards the original Grade II Listed Queen Anne building. Being one of just two of this design, 30 Springfield Park was built by the prestigious developer Berkeley Homes in 1999. This superb quality home is offered for sale in what is, in our opinion, excellent order throughout. The very generously proportioned accommodation is arranged over three floors and enjoys a quality finish for which Berkeley Homes are synonymous. In addition to the usual specification, this house features recently refitted en-suites on the first floor and has a much larger garden than many of the similar sized homes on the development. There is also a garage and parking space to the front of the property which, is again, rather unusual at Springfield Park. Internal inspections are therefore highly encouraged at the earliest opportunity.

The accommodation is as follows:-
