LAND & NEW HOMES
Robert Leech.

An exceptional opportunity to acquire a brand-new luxury family home by Chartwell Land & New Homes, set within a plot exceeding one acre with south-facing gardens and outstanding views towards Ashdown Forest and the South Downs.

Occupying an enviable position on the fringe of Limpsfield Common, the property enjoys a peaceful semi-rural setting within easy reach of Oxted town centre.

The beautifully designed accommodation is spacious and adaptable, arranged over two floors with scope for a second-floor addition. Offered on a CUSTOM BUILD basis, buyers have the rare opportunity to influence the internal layout and specification, creating a truly bespoke home tailored to their requirements. CUSTOM BUILD PURCHASE allows you to have some involvement is in the design decisions: layout, room sizes, finishes, and fittings of the new home. This makes it appealing to buyers who want a genuinely bespoke home without taking on the risk, stress, or time commitment of project-managing a self-build from scratch. The buyer normally purchases the plot and at the same time enters into a build contract with the developer.
