IF YOU LIVED HERE...

You'd step inside to a calm, welcoming interior where clean lines and a considered palette create an immediate sense of ease. The living space is beautifully bright, with generous proportions and large windows drawing in natural light. Recently refurbished, the apartment feels thoughtfully finished and ready to move straight into, with tasteful interiors and modern detailing that balance comfort with simplicity.

The modern kitchen has been carefully designed for day to day living, with sleek cabinetry and ample worktop space, while the contemporary bathroom continues the same understated style. Both bedrooms are well sized and serene, offering flexibility for guests, working from home or simply room to grow. And then there's the garden. Stretching out to the rear, your private west facing outdoor space is a rare find for an apartment, catching the afternoon and evening sun and offering plenty of room for dining, planting or simply unwinding at the end of the day.

A WORD FROM THE EXPERT...

"If you are new to Woodford Green, a quick walk or drive around the area shows what a fantastic place it is, but here is a bit of insider insight. I first got to know it through its great food, drink and nightlife. There is a mix of cosy pubs, independent cafés, smart cocktail spots and lively restaurants, so there is always somewhere new to try. Food lovers have plenty of choice, from classic fish and chips to Mediterranean dishes, hearty Sunday roasts and authentic Italian favourites. Whether you want a quick bite or a long lunch with friends, the dining scene has something for everyone. What truly sets Woodford Green apart is the green space. Epping Forest is only minutes away and offers one of the most impressive natural landscapes in the region. Closer to home, Ray Lodge Park is popular with families and dog walkers, with woodland, good paths and a welcoming atmosphere".
