PROPERTY DETAILS

Just Property are delighted to bring to the market this rarely available three bedroom Grade II listed period property, occupying a prime position on Hastings seafront and benefiting from a ground floor shop, cellar and breathtaking views across the English Channel.

This unique and versatile property offers a wealth of possibilities, whether as a home with commercial premises below or for those seeking an investment opportunity in one of Hastings' most iconic locations.

The accommodation is arranged over several floors and comprises a former shop with a kitchen area and bi-fold doors opening onto a small courtyard, with access beneath the cliff face to an additional storage area. There is also a useful cellar with power and lighting.

On the first floor you will find a stunning bow-fronted reception room, enjoying spectacular sea views, together with a further reception room leading through to a modern open plan kitchen/breakfast room. Double doors open onto a private balcony, creating the perfect spot for outdoor dining, entertaining or simply sitting back and enjoying the ever-changing sea views. A separate shower room completes this floor.

The second floor offers two generous double bedrooms, with the principal front bedroom featuring a beautiful bow window framing panoramic views across the English Channel and towards Beachy Head, together with a separate family bathroom.

Properties of this nature and location seldom become available, combining period charm, flexible accommodation and an enviable seafront position within easy reach of Hastings Old Town, the town centre, restaurants, cafés and the mainline railway station.
