£205,000

Located in the charming village of Shalfleet, this mid-terrace house enjoys a delightful open outlook across an attractive green, offering a picturesque view and sense of community.

With wonderful potential for improvement, alteration and extension STPP, the house was originally designed as a three-bedroom property and currently boasts two large double bedrooms, with clear scope to reconfigure the layout back to three bedrooms if required. The accommodation is well proportioned throughout and presents an excellent opportunity for buyers looking to modernise and personalise a home to their own taste, whilst benefitting from a newly installed gas boiler.

The ground floor comprises a bright lounge/dining room with views over the green, opening through to a dining area with French doors leading directly onto the rear garden. The kitchen offers direct access to the rear garden and provides a practical layout ready for updating with potential for extension STTP. Upstairs, both double bedrooms are of excellent size, with the principal bedroom enjoying dual windows overlooking the green. The second bedroom could easily be divided to reinstate a third bedroom if desired. A family bathroom completes the first-floor accommodation. Outside, the house benefits from both front and rear gardens as well as an allocated parking space.
