THE PROPERTY

Located in the heart of Pembury village, this delightful mid-terrace period home is just a short stroll from local amenities, making it an ideal purchase for first-time buyers or those looking to step onto the property ladder. Offering plenty of scope for future enhancement, the property presents exciting potential to reconfigure the ground floor or convert the loft space—similar to neighbouring homes—subject to the necessary planning consents. You are welcomed via a practical entrance porch with space for coats and shoes, leading into the hallway. The bright and spacious sitting room features a large bay window that fills the space with natural light, while a charming log burner creates a cosy focal point. Wooden flooring adds character in keeping with the age of the property, and a generous understairs cupboard provides useful storage. To the rear, the open-plan kitchen/dining room is well-suited to modern living, fitted with wood-effect units and granite-style worktops. Integrated appliances include an electric oven and grill, fridge freezer, and gas hob, with additional space for a washing machine. There is ample room for a large dining table, making this a perfect space for entertaining or family life. Beyond the kitchen, a rear lobby with a large storage cupboard leads to the family bathroom, fitted with a bath and overhead shower, wash basin, and WC. A lovely sunroom at the back of the house enjoys views over the garden and provides a versatile second reception area—ideal as a home office or relaxation space—with direct access outside. Upstairs, the property offers three bedrooms: two single rooms (one with a fitted wardrobe) and a generous double bedroom, also benefiting from fitted storage.

OUTSIDE

To the front, there is a small courtyard garden, ideal for bin storage. The standout feature of this home is the impressive south-facing rear garden. Predominantly laid to lawn, it offers a wonderful space to enjoy the sunshine and is perfect for keen gardeners. A patio area provides ample space for outdoor furniture—ideal for entertaining and summer barbecues.
