Step into a private spa retreat disguised as a breathtaking three-bedroom semi-detached home, where every space has been designed to soothe, impress, and elevate everyday living — complete with a luxury log-cabin sanctuary in the garden.

Set on a generous corner plot on the ever-desirable Wenlock Close, Mitchells Wood, Newcastle-under-Lyme, this beautifully extended home offers a sense of calm, quality, and understated luxury throughout — a place where modern living meets peaceful retreat.

From the moment you arrive, the home invites you to slow down and unwind. Inside, the welcoming living room is both elegant and comforting, enhanced by a striking media wall that creates a relaxing, spa-like ambience — perfect for quiet evenings or cosy nights in. At the heart of the home sits the impressive open-plan kitchen and dining space, thoughtfully designed for modern family life. Sleek worktops, high-spec integrated appliances, generous storage, and ample room for dining come together in a space that feels as practical as it is stylish. Full height windows boast a view of the garden, allowing natural light to flow freely and reinforcing the seamless connection between indoor and outdoor living.

The ground floor continues to impress with a discreet utility cupboard and a stylish downstairs WC, ensuring everyday convenience without compromising on aesthetics.

Upstairs, tranquillity remains the theme. The main bedroom is a serene retreat with plush carpeting, generous proportions, and soft natural light — a space designed for rest and relaxation. Two further bedrooms offer flexibility for family, guests, or a home office, while the contemporary family shower room feels more boutique hotel than traditional bathroom, finished to a high standard and featuring a spacious double shower.

Step outside and discover your own private spa garden.

The beautifully landscaped rear garden has been designed with relaxation in mind, featuring an Indian slate patio ideal for alfresco dining and a large artificial lawn for low-maintenance enjoyment. The standout feature is the substantial wooden log cabin — a true sanctuary. Fully equipped with a hot tub and a log-burning stove, this exceptional space offers year-round indulgence, whether used as a wellness retreat, entertaining space, luxury home bar, or creative studio. It's a rare lifestyle feature that elevates this home beyond the ordinary.

To the front, a spacious paved driveway provides off-road parking for multiple vehicles, complemented by an oversized garage with an electric roller door.

This is a home that feels like a permanent escape — a place to relax, recharge, and enjoy life at your own pace, all offered with **no upward chain**.

Make your move to Wenlock Close and embrace a lifestyle inspired by calm, comfort, and quiet luxury.
