Description

Stevens are delighted to offer for sale this substantial, detached five-bedroom family home, presented in immaculate condition throughout. Perfectly situated in a quiet corner of a cul-de-sac, close to the high street of Partridge Green.

Staples Hill is a development of modern houses built in the late 1980s, providing a perfect blend of village life with a renowned high street just a short walk away and countryside walks along the Downs Link easily accessible.

From the front, the property is imposing, with a well-kept lawn and parking for three to four vehicles on the private driveway leading to the entrance. Upon entering, the excellent condition of the property is immediately apparent. Light flooring enhances the brightness of the ground floor, while contemporary oak doors provide a stylish touch. The spacious kitchen/breakfast room continues this theme, featuring oak worktops on three sides framed by high and low white shaker-style kitchen cupboards. This area seamlessly transitions into a utility space, ensuring that all laundry is kept out of sight.

Both the living room and dining area extend across the width of the back of the property, featuring a bay window and a set of French doors that overlook the level rear garden. For cosier nights a log burning stove sits pride of place at the end of the room.

Stairs lead to the first floor, where all five bedrooms are conveniently located. All of these bedrooms are considered doubles, with four of them featuring built-in storage. The main bedroom, measuring 16.4' x 10.3', has a pleasant view of the rear garden and includes a luxurious en-suite shower room with an oversized shower cubicle. Additional enhancements, such as a glazed balustrade around the landing, increase the light and airy feel of the home. Practical features include installed solar panels to help mitigate rising energy costs and the conversion of part of the garage into a family room, which can serve as a workspace or games room.

Outside, the garden is mainly laid to lawn, with a large patio leading directly off the back of the property, complete with a hidden sunken fire pit, making it a delightful spot for evening entertaining. At the back of the garden, there is also a large, insulated timber summerhouse.

In our opinion, the property is presented in fantastic condition throughout. The flexible interior space allows for a variety of room uses, so one could move straight in and feel at home with minimal fuss. Early viewing is essential not to miss out on all that this stunning property has to offer!
