SELLERS INSIGHT:

"I've cherished living in this home for the past 10 years, especially my sunny front deck for morning coffees and the peaceful forest views from my office that ease work stress. The sun-drenched back garden is ideal for BBQs and playtime with grandsons, with easy parking in the garage and double driveway. Its prime location offers quick access to Haytor walks and Bovey Tracey's shops, cafes, and Pilates classes. Inside, the king-size bedroom with scenic views and open double doors in summer feels dreamy. Though sad to leave this special place due to family and work changes, so it's time for a new chapter. I hope the next owner loves it just as much."
