what the owners will miss

"We have made this house into a home over the last 10 years. We have worked hard creating a perfect home for our family of 4, always keeping design and functionality in mind.

We will miss the size of the rooms and the beautiful kitchen/diner! We love the road and the neighbours who are all friendly and supportive.

The location of the house is great - in terms of being close to the shops and with easy access to Bristol and Bath. "

just a thought...

Homes of this style, quality and character are extremely rare to the market, if you are looking for a beautifully appointed home ready to move into that blends modern style and the charm of yesteryear, you are unlikely to see another house like this is the area.
