SITUATION & AMENITIES

Pill Lane is a no through lane shared with 12 other properties and is convenient for local facilities at Newport, including shops, schools, Rock Park and riverside walks. The town itself is easily accessible and as the regional centre, Barnstaple offers the area's main business, commercial, leisure and shopping venues, as well as pannier market, live theatre and District Hospital. Within walking distance are Newport Primary Academy and Park Secondary School, as well as the Tarka Trail - part of the national cycle network. The North Devon Link Road is also close by, allowing access to the M5 at Junction 27, in 45 minutes or so, and where Tiverton parkway nearby offers a fast service of trains to London Paddington in just over two hours. There are a number of clubs for golfers within the area, but most noted are the two championship links courses at Saunton and the Royal North Devon at Westward Ho! (the oldest club in the UK). Sailing is available on the coastal waters at Instow, a few miles away, on the banks of the River Torridge, also home to the North Devon Yacht Club. The glorious sandy surfing beaches at Saunton Sands, Croyde Bay and Woolacombe are all within easy motoring distance, as is Exmoor National Park to the North. North Devon is also the only UK coastline identified as a 'World Surfing Reserve'. Exeter the county town and Cathedral city - with its international airport - is just over 40 miles from Barnstaple and a regular local train operates between the two.
