Pear Tree Cottage is a beautifully presented two-bedroom traditional home, dating back to circa 1860, which has been thoughtfully modernised throughout while retaining its charming character. Immaculately maintained and fully repainted internally and externally in May 2026, the property offers stylish and comfortable accommodation in one of Beaumaris' most sought-after residential settings.

Enjoying a scenic position with surrounding hills to the rear, the cottage is ideally placed for picturesque walks and easy access to the beachfront, where stunning views stretch across the Menai Strait towards mainland North Wales and Snowdonia.

To the rear of the property is a modern and bright kitchen, enhanced by a skylight which fills the space with natural light. The property also offers the convenience of both a modern shower room and a separate bathroom. The house benefits from gas central heating, a regularly serviced gas boiler, and a feature Cazco gas stove set within the fireplace, creating a warm and inviting living space.

To the rear, the enclosed garden enjoys afternoon sunshine and provides an attractive outdoor retreat. A versatile garden room further enhances the accommodation, featuring new internal flooring and newly installed composite decking completed at the end of 2025.

Additional improvements include a replacement consumer unit installed in May 2026, reflecting the care and attention given to the home by the current owners.

A superb opportunity to acquire a stylish and ready-to-move-into cottage in the highly desirable coastal town of Beaumaris.
