Description

This stunning, immaculately presented semi-detached house is set with a huge frontage between the road and the house, a rare feature providing exceptional privacy and a grand sense of arrival compared to standard pavement-adjacent properties. Upon entering, you are greeted by a welcoming entrance hall leading into a bright, expansive reception and dining room, featuring premium colour-changing LED ambient strip lighting. A standout feature of the property is how the living space seamlessly extends out to the rear garden through completely step-free, same-level thresholds, perfect for indoor-outdoor entertaining. The ground floor is completed by a sleek, modern fitted kitchen boasting underfloor heating and integrated ambient lighting, alongside a convenient guest WC.

Throughout the home, smart design is on full display with wall-hung radiators and floating bathroom fixtures that offer a minimalist aesthetic and effortless cleaning. Upstairs, the first-floor hosts three well-proportioned bedrooms, which uniquely feature rare, highly sought-after panoramic and completely unobstructed views over local greenery. A contemporary family bathroom with floor-level LED accent lighting serves this level. The second floor features an impressive loft conversion hosting a generous master bedroom, complete with a beautifully integrated corner ensuite bathroom featuring floor-level lighting. To the rear, the private garden boasts a beautifully constructed patio area, an expansive lawn, and a large outbuilding ideal for a home office, gym, or workshop, spanning approximately 2,200 sq. ft. of private outdoor space. The property is completed by a massive front brick-paved driveway comfortably accommodating up to five vehicles.
